[1.5] Total Campus Area (meter²)

Campus 1 (Perintis), Politeknik Keselamatan Transportasi Jalan Tegal

Campus 2 (Margadana), Politeknik Keselamatan Transportasi Jalan Tegal

Description

PKTJ Tegal manages two campus sites that collectively support its academic, training, research, and community service activities in road transportation safety.

Campus 1 (Perintis), located at Jl. Perintis Kemerdekaan No. 17, Slerok, East Tegal District, Tegal City, Central Java 52125, covers a total area of 60,035.34 m². Campus 2 (Margadana), located at Jl. Abdul Syukur No. 17, Tegal City, covers 110,816.76 m². The combined total land area managed by PKTJ is 170,852.10 m² (approximately 17.09 hectares, or 0.171 km²).

Both campuses are equipped with a range of academic and supporting facilities, including lecture halls, laboratories, practical workshops, administrative offices, student dormitories, sports facilities, parking areas, and open green spaces. The distribution of facilities across each campus is designed to support the full implementation of the higher education tridharma teaching, research, and community service while advancing competency development in road transportation.
